EXAMINER'S REMARKS

1. The following is an Examiner's Statement of Reasons for Allowance:

The prior art of record does not teach or fairly suggest the recited centrifuging steps, particularly the steps of providing first input data to the computer indicative of the total volume of liquid that has entered the centrifugation cell during the filling step that precedes the washing step and during the washing step itself, the liquid being blood during the filling step and the liquid being washing solution during the washing step; providing second input data to the computer indicative of the hematocrit value of the blood that was introduced during the filling step; and providing third input data to the computer indicative of the geometric characteristics of the cell wherein the data is processed via the algorithm to produce a first output indicative of the concentration of the supernatant in the supernatant-washing solution mixture that is presenting the cell during the washing step

2. Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles E. Cooley whose telephone number is (571) 272-1139. The examiner can normally be reached on Mon-Fri. All official facsimiles should be transmitted to the centralized fax receiving number 571-273-8300.
